

SALES TALK

FOR THE PARENTS OF SALESIANUM SCHOOL

DECEMBER 7, 2015

A THOUGHT FROM ST. FRANCIS DE SALES

Love is the life of our heart. Just as weights give movement to the parts of a clock, so love gives the soul whatever movement it has.

FROM THE PRINCIPAL

Fr. Chris Beretta, OSFS

The Week Ahead

Welcome to our last full week of school before exams and Christmas break! For the most part, we will be on regular schedules except for Tuesday, when we will have Mass and an AM Assembly Schedule. Highlights for the week include:

- **Monday:** All-Catholic Christmas Concert at 7:00 PM in the auditorium.
- **Tuesday:** Mass for Immaculate Conception at 9:00 AM.
- **Wednesday:** Salesianum Christmas Concert at 7:00 PM in the auditorium.
- **Friday:** \$5 Dress Down Day for Faculty and Students sponsored by the Lawless House, with all proceeds donated to the Sunday Breakfast Mission in Wilmington. Dress down guidelines provided later in the week.

Football and Marching Band Conclude their Season

Many were on hand for Saturday's football championship at the University of Delaware when Salesianum was defeated by Smyrna 32-26 in overtime. As with any game that comes down to the final play, the ending was thrilling for one side, but bitterly disappointing for us. Regardless, I was extremely proud of our boys, who demonstrated great resilience and class in spite of the outcome. An alumnus emailed me Saturday night and wrote: "I just wanted to tell you that I am so proud of how the boys played and how they conducted themselves. I know it's a hard pill to swallow, but tell them to keep their heads up and that all of us know they left it all on the field. As an alum I am proud to wear the gold and white and say that I was a part of the program that was on the field today, no matter what the final score was. I was in the same spot as those seniors when we lost my year. They will never forget it, but it helps them grow in the long run." A big thank you to Coach DiNardo and his staff, the student managers and volunteers, and of course the team, especially the seniors, who gave so much in a physically and emotionally demanding season and who represented Salesianum so well all year.

I would also like to thank **Brian Cox** and the **Salesianum Marching Band**, and their entire supporting cast from Ursuline and Padua with flags and batons, parent volunteers and cheerleaders, who likewise gave their last football performance of the season and gave us much to be proud of. Between the football team, the band, coaches and directors, student managers, parent volunteers, athletic trainers, and athletic staff, it would be hard to calculate how many hours go into football and marching band seasons. I would just like to offer a word of thanks from so many of us who enjoy all the traditions and pageantry a football season brings, to all who give so much to bring our school community together and to represent us all so well on and off the field.

ACADEMIC AFFAIRS

Mr. Jude Szczerba, Dean of Academic Affairs – juszcz@salesianum.org

Course selection

Course selection for the 2016-2017 school year will be here before we know it. Students should begin considering electives that they are interested in taking next year. This is a good time to talk to teachers about the specifics of the classes they offer and to research electives that may help in the college selection process.

Second Semester Schedules

Our 2nd semester will begin on January 13. Students are asked to check their 2nd semester schedules on NetClassroom before Christmas break, notifying the Academic Office of any errors. Please note the following:

- 1) *Health and Physical Education* classes will trade places on the schedule with the exception of the A1 section.
- 2) All one-semester courses will end and be replaced by a new course or study hall.
- 3) Most juniors will have *Junior Advisory* added to their 2nd semester schedules. This course will meet one time per cycle.
- 4) At this time, students are not permitted to request schedule changes unless an extraordinary need arises.

December Exam Days

Salesianum has reserved three testing days in December leading up to our Christmas break. On December 16, 17, and 18, students will be scheduled for assessments in the following subject areas: Religious Studies, English, Social Studies, Mathematics, Science, and World Languages. The testing days will operate in the same fashion as final exam days at the end of the school year. Teachers may use these testing slots to administer midterm exams or unit/chapter tests. The idea here is to prevent the buildup of multiple tests on the last day before break. Dismissal on each of these days will be before noon; this reduced schedule will provide additional study time during these final busy days of the calendar year.
